Community Fund Drive for $67,190 Opens Tonight

DINNER AT 6:30 WILL LAUNCH CAMPAIGN HERE

Port Clinton Judge Will Address Workers; J. J. Stafford Is Chairman.

The financial campaign to raise $67,190 to support the agencies comprising the Marion Community Foundation, Inc., will get under way tonight with a dinner at 6:30 o'clock in the Wesley Methodist church. Speaker for the kickoff meeting will be Judge William A. Hunt of Port Clinton, judge of the court of common pleas in Ottawa county. In charge of the meeting will be E. L. Cleveland, head of the foundation, and J. J. Stafford, general chairman for the campaign.

Judge Hunt, who finds time away from his duties on the bench to participate in civic affairs of his own and surrounding counties, has had a wide experience in community chest and other financial campaigns and his enlightened views on agencies and their work have brought him before many audiences interested in character building and welfare work. His professional field gives him a deep insight into the minds and needs, particularly of the juvenile and teen-age boy and girl, and his analysis of present day problems is not only informative but workable. He is being returned to Marion as tonight's speaker after addressing the members of the foundation at their annual meeting last May.

Agencies making up the foundation are the United Service organization, United Seamen's organization, the hospitalization and medical care fund, which has been placed in the hands of the King's Daughters, Boy Scouts, Girl Scouts, Girl Reserves, Salvation Army and Y.M.C.A.

POWER IS BACK AT PITTSBURGH

Steel City Returning to Normal as Electric Strike Ends.

By The Associated Press

PITTSBURGH, Oct. 21—Industrial life in the Pittsburgh metropolitan area swung back towards normal today upon the end of a 27-day power strike—longest and costliest in the nation's history.

Hundreds of industrial plants resumed work at full speed to make up for lost production. Street car transportation was normal again and bus line operations almost normal.

For the first time in nearly four weeks, the Duquesne Light Company announced that the 1,500,000 persons in the affected area could use all the electricity they wished. The current was voluntarily rationed during the strike.

Start Making Repairs

With its 3,200 unionized employes back at work, the company started making repairs that were let slide during the strike. It announced that all the arm lamps in downtown Pittsburgh, which burned out during the strike, would be lit within 24 to 48 hours. However, it will take probably a week to replace 7,000 to 8,000 incandescent lamps which burned out in suburban areas, a company spokesman said.

The Sun-Telegraph estimated the strike cost the steel capital "at least $300,000,000" in business and wages.

Conciliation sessions to end a 21-day-old hotel strike, also costing the city considerable business, resume today. The eight largest hotels here have been virtually closed.

The power strike ended when the light company employes voted to submit their demands for a 20 per cent wage increase and other issues to arbitration.

The vote, taken at a secret membership meeting, was 1,197 to 797 in favor of arbitrating the dispute which led to the strike, throwing thousands of men out of work in other businesses and dislocating the daily lives of many inhabitants. The union has a total membership of 3,200.

Change in Outlook

President George L. Mueller of the independent power union expressed the belief the favorable vote resulted from what he described as a change in the national wage outlook following recent relaxation of OPA controls.

Heretofore the union has steadfastly opposed arbitration on the ground any wage increases gained through arbitration might be overruled by the wage stabilization board. The light company has supported arbitration, and already has named its appointee to a three-man board to weigh the controversy. This is Maurice R. Scharff, New York consulting engineer. Other members will represent the union and the federal government.

Mueller said the possibility that wage stabilization rules may be eliminated or altered "offset to a large degree the company's refusal to waive WSB as a factor in arbitration."

The union leader added he believed arbitration hearings would require about three months and said the WSB "will be nonexistent by that time."

Trolley Service Returns

One of the immediate effects of the settlement was announcement by the Pittsburgh Railways Co., which operates the city's principal transportation system, of a return today of normal street car

GERMAN REDS DEFEATED IN FREE ELECTION

Soviet-Backed Party Trounced in 4 Berlin Zones Including the Russian.

By The Associated Press

BERLIN, Oct. 21—The Soviet-backed Socialist Unity Party (SED) today was routed in Berlin's first free municipal election in 14 years, which an AMG official termed of continent-wide significance in the issue between Eastern and Western political philosophies.

Complete returns from yesterday's election of municipal and borough councilmen showed the SED running a poor third in a field of four parties.

The Social Democratic Party (SPD) scored a smashing victory, capturing almost half the total vote. The Christian Democrat Union (CDU) was second, well ahead of the Socialist Unity Party.

The vote was: Social Democrats, 948,851; Christian Democratic Union, 432,016; Socialist Unity Party, 383,269; Liberal Democratic Party (LDP), 181,875.

Reds 19.6 Per Cent

This would give the Social Democrats 48.8 per cent of the total and the Socialist Unity Party only 19.7 per cent.

Balloting, by straight ticket only, was heavy and orderly. There were 2,349,722 eligible voters.

Before the election, Lt. Col. Louis Glaser, chief of the civil administration branch of the United States military government's Berlin branch, said the issue clearly lay between Eastern and Western political philosophies.

"Germany must ultimately make a decision in this respect," he said. "The Berlin vote, establishing such a decision, will have great influence upon the ultimate destiny of Germany and therefore, upon the political destiny of Europe."

Defeat Is Surprise

Though pre-election predictions generally had favored the Social Democrats, strong in pre-Nazi Berlin, the defeat the SED suffered surprised many.

This party, formed in the Russian zone by a fusion of Communists and Social Democrats, waged a stronger campaign than other parties because it had more paper and other material advantages.

SED campaigners aimed their sharpest barbs at the Social Democrats, whom the SED called a "rump" group because they had revolted against last winter's Soviet-endorsed merger with the Communists and set themselves up independently here.

Inspection teams representing the four occupying powers—the U. S., Britain, France and Russia—toured the city watching for fraud.

Complaint Filed Against Bucyrus Telephone Firm

By The Associated Press

COLUMBUS, O., Oct. 21—Cecil V. Rowland has filed with the state utilities commission a complaint against the Bucyrus telephone company alleging the concern "failed and refused" to furnish service.

The commission said Rowland and a group of subscribers, now in territory served by the Northern Ohio Telephone Company, must pay long - distance toll charges to call Bucyrus.

The complainants desire Bucyrus telephone company service in order to eliminate the toll charge.

Auto Workers Plan New Wage Attack on Motor Car Industry

By The Associated Press

CLEVELAND, Oct. 21—The CIO-United Auto Workers today planned a new wage assault on the motor car industry, but exact demands were left for settlement over the bargaining tables.

Concluding a three-day conference yesterday, UAW's executive board limited itself to announcing it would seek "substantial wage adjustments."

UAW President Walter Reuther said that although the board originally planned to name a specific figure to be presented to Chrysler Corp. this week, it was decided that in view of spiraling cost-of-living figures this would be "unsound."

"The rise will be fast in the next 30 to 60 days so it would not be logical to set any definite wage increase figure," Reuther added.

To Seek New Contracts

The board said it would seek new contracts with all employers whose agreements have reopening clauses. This would include only about half of UAW's 800,000 members, but Reuther said he anticipated no difficulty in extending to all members any gains received.

Of the "Big Three" auto makers, Chrysler is the only company with a contract containing a reopening clause. Contracts with General Motors and Ford expire next spring.

The union said it would "make every effort across the bargaining table with management to arrive at an agreement on a wage increase adequate to meet the needs of the workers and the nation." It added:

"In these corporations and plants within the industry whose wage rates are lower than the

CIO ORDERS END TO GOODYEAR WALKOUT

By The Associated Press

AKRON, O., Oct. 21 — A dispute which started Thursday night and idled 10,000 Goodyear Tire & Rubber Co. workers ended today as the executive board of Goodyear Local No. 2 of the United Rubber Workers (CIO) ordered the strikers back to their jobs.

Tire-making was scheduled to start on the 6 a. m. shift as the board, taking charge in the controversy, declared it would "do everything in its power to settle this dispute after work is resumed."

The stoppage was launched Thursday night when two workers, who charged a "speedup" program had been inaugurated in the mill room at Plant No. 1, were suspended for a week by the company.

The grievance had preceded what the union said was intercutting on bunbury, but the company said in a statement that "an entirely new operation basis was involved and no speed-up or speed-up was intended."

McCutchenville FFA Member Wins American Farmer Degree

(Story on Marion county boys at convention on page 12)

A 19-year-old youth from near McCutchenville was among seven young farmers from Ohio receiving the American Farmer degree at the Future Farmers of America convention being held in Kansas City, Mo., according to The Associated Press today.

He is Philip Shober, son of Mr. and Mrs. Ralph Shober of near McCutchenville. He assists his father in the management of their 180 acre farm two miles north of McCutchenville and farms additional rented land besides.

The youth graduated from McCutchenville High school in 1945. He is a state vice president of the F.F.A. and was president of his local chapter for two years. He attended Ohio State university for one quarter last year, and won the State Farmer degree in 1944.

He was accompanied to Kansas City by Harold Moorehead, vocational agriculture teacher at McCutchenville High school.

The American Farmer degree for 1946 was made to 178 boys who represent the best in the young farmer group throughout the nation. With the degree goes a cash award of $50 to each boy from the Future Farmers of America foundation. To be eligible for consideration for the award, a candidate must have completed at least two years of high school vocational agriculture with a high scholarship, must be engaged in a successful farming enterprise embodying modern scientific practices and efficient record-keeping, and must be outstanding in his school, community and state's rural life in leadership, cooperative service and agricultural activities.

Other Ohio boys receiving the honor were:

Edward E. Behm, Bloomville; James L. Dittman, Elmore; Tim Bates, Gallipolis; Lloyd E. Householder, Swanton; Lawrence M. McClarren, Delta and Cloyd P. Wahl, Van Wert.

ASSAILANT OF DELAWARE CO. MAN SOUGHT

Police Character Hunted in Hatchet Attack on Farmer.

By The Associated Press

COLUMBUS, O., Oct. 21 — A man with a police record was sought by Columbus police today for questioning in a vicious hatchet attack on Rena B. Chandler, 52, Delaware county farmer.

Chandler, with eight wounds, was in serious condition at University hospital. The search for the man with a record began after Chandler muttered his name while semi-conscious. Chandler had not been robbed.

Chandler, who lives on Route 23 two miles north of the Delaware-Franklin county line, was found early Sunday lying in a pool of blood in a vacant lot in suburban Riverlea.

Signals for Help

Passers-by saw him signaling for help and called the authorities, who sent him to the hospital, where it was said he was suffering from a fractured skull.

Sheriff Deputies Joe Sigrist and Al Montenaro said they had traced Chandler's movements and learned that he left his home about 10 o'clock Saturday night and went to the Six Oaks restaurant, on Route 23 north of Worthington. They said he left the restaurant about 11:30 p. m. with another man.

Montenaro said in his preliminary statement he believed Chandler was driven to Riverlea by two persons and attacked with a hatchet while still in the automobile.

Struck Eight Times

The deputy sheriff also said Chandler apparently opened the car door and ran across the lot where he was struck down from behind. He said the marks on the man's head indicated he had been struck at least eight times.

Delaware county sheriff's office authorities, who accompanied Chandler's wife and grown son and daughter to the hospital yesterday, said they had been told Chandler's condition was improving.

Chandler's family, the deputies said, were at a loss to explain the attack. They said that Chandler often went out at night and they knew nothing of his companions.

YOUR HEALTH

By HERMAN BUNDESEN, M.D.

Penicillin

When the usual, time-proven remedy for a disease becomes impossible because of some complication in the patient's condition, it is up to the doctor to improvise. That is, when prevented from using the best treatment, he must still find another which will serve. Sometimes such a search results in a valuable medical discovery.

One such case, recently reported by Dr. Randolph Rosenthal of New York, may point the way to a new treatment for acute gall-bladder infection, which so often develops in those over 40, particularly women who are overweight and inactive. This condition is known as cholecystitis.

Usually in cholecystitis there is severe pain over the right upper part of the abdomen. Muscles in this area are tender and sore, and patients are plagued with vomiting and excessive gas formation in the bowel.

The exact cause of this disease is unknown, though a number of different germs are thought to play a part in producing it. However, that may be, the usual treatment is to cut out the diseased gallbladder by surgery.

Sometimes, unfortunately, this life-saving, health-restoring operation cannot be performed because the patient may also be suffering from another condition—heart or kidney disease—which would make operation extremely dangerous or even, fatal.

In the case reported by Dr. Rosenthal, the patient was already suffering from Addison's disease when she suddenly developed an acute gallbladder infection.

Addison's disease is a condition due to lack of secretion from the adrenal glands located above the kidney. When the gallbladder infection developed the patient's condition became critical and operation was impossible. As a last resort he began treating the patient with injections of penicillin into a vein. Three hours after the penicillin treatment was begun the patient felt better and within three or four days her temperature had returned to normal and the gallbladder infection had subsided.

Thus it would seem that in some cases of acute gallbladder infection penicillin may be of some value in relieving the condition temporarily depending on the germs which are causing the infection.

There are some germs which are sensitive to the aciton of penicillin and are therefore destroyed or made harmless by the penicillin while others are not and it is not possible in gallbladder infection to tell prior to operation just what germs are producing the difficulty. It would seem that in those cases of acute cholecystitis or gallbladder infections in which operation cannot be immediately performed, treatment with penicillin given by mouth or by injection might be well worth trying.

Lochner To Open Sunday Forum Talks Here on Nov. 3

Louis P. Lochner, who is first speaker on the Sunday Afternoon Forum series of the Marion Chamber of Commerce, is acknowledged as one of the nation's outstanding authorities on Germany. He will speak here Nov. 3.

For 15 years chief of the Berlin bureau of The Associated Press, Lochner was the last American correspondent to leave Berlin in 1942 and the first to return there after the war.

His forum topic will be "Germany, Democracy or Soviet State." He has just witnessed the trials of Nazi war criminals at Nuremberg.

Tickets to the forum series still are available and may be purchased at the Chamber of Commerce office starting Hotel Harding stand, Prospect Manor office in Prospect and the Campbell Nabisco bakery in the Rue. Tickets will not be issued to individual numbers of the forum.

Mr. Lochner knew all the war criminals personally.

He was a prisoner of the Germans for some time during the war. He was able to record many of the deeds of the leaders of the third reich. Many passages from his book, "What About Germany," were placed on the record by the American prosecution at the Nuremberg trials and adopted in the conviction of the German leaders.

Mr. Lochner is a Pulitzer prize winner and has received several honors from The Associated Press for his journalistic efforts.

Other speakers on the forum include Dr. James S. Owens president of the Ohio State Research Foundation. Dr. Owens will discuss "Scientific Development" on Dec. 8. Radio commentator Fulton Lewis Jr. will be the speaker on Jan. 12. His topic is "Democracy with a Gun in Her Rubs." On Feb. 2 Henry C. Wolfe will discuss "World Affairs."

All four of the topics will be held at the auditorium of Thomas A. Edison Junior High school. They will start at 2:30 p. m.

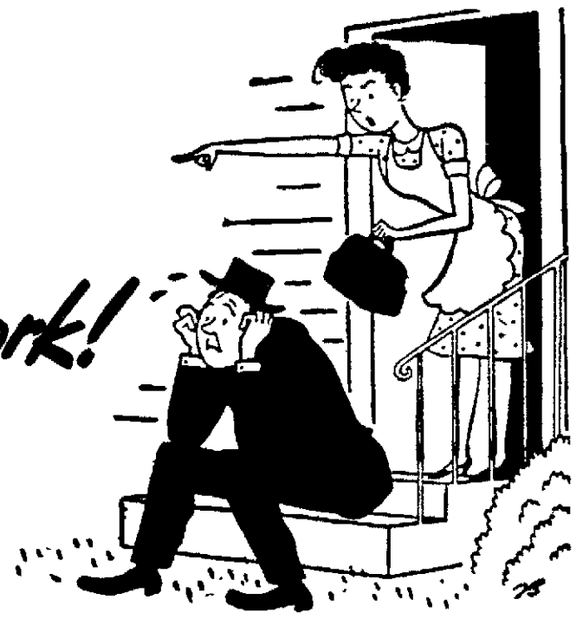
It's not that we don't love our work!



WE DO LOVE our work—but these days, we almost dread leaving home and going to our showroom.

So many people want new Packards, and there are so few coming through!

But you can't build cars without materials!

The factory is straining every effort to get more parts and material so production can be increased.

We're doing our best!

Some cars have been shipped with wooden bumpers, some without window regulator handles. This costs the factory a lot of money, for it means that replacements must be shipped and installed later.

Under such difficulties, it's a wonder the folks at the factory have done as well as they have. This year, compared to the same period of 1941, Packard has built a higher percentage of cars than the industry as a whole.

We don't dare predict!

Our customers have been so patient that we'd like to sound some optimistic note.

But word from Detroit says that parts and materials are still scarce. Steel continues to be limited. Shortages of lead, copper and other materials are looming up.

Scrap iron has been so scarce that Packard started the ball rolling on a nation-wide collection drive!

Take care of your present car!

Until you're sure of getting a new one, give your present car the best of care.

Lots of cars are running better and lasting longer because our trained mechanics have serviced them right. Give us a chance to catch those *little* troubles before they grow up into *big* ones.

Bring your car in any time. We're short on new cars, but we're long on helpful car-saving service.

The Prava piece was by commentator David Zaslavsky. His article was headed "Turkish pie with Anglo-American filling," and he asserted that the Ankara note was of Anglo-American origin. He said the communication appeared to be a translation of the American language into Turkish and added:

"Translates Coarseness

"It is important only that this translation expressed all the delicacies or—one should more truly say—all the coarseness of American speech."

The commentator also propounded this question: "After all, where is Turkey and where are the straits located? We have heard of Dollar Diplomacy and about diplomacy of the dollar. Maybe the geography of the dollar is beginning to appear with a new division of the continent."

Well, the question of whether Uncle Sam has been up to dirty work at the Balkan cross-roads will have to be left to him to answer in his own coarse language—the uncouth old scoundrel. One can only observe that he has made it amply clear recently that he doesn't intend to be pushed about.

Lining Up Policy

However, we do have from Washington a highly interesting report bearing on America's attitude towards Europe. Officials who are in a position to know, say that Secretary of State Byrnes is rapidly lining up an American economic policy to fit in with "a patient but firm" U. S. attitude towards Russia and her Slav neighbors.

The secretary is said to be forming a proposal to pour several hundred million dollars into Italy, Austria and Greece while choking off American financial help to eastern European nations. The informants in the capital say the American delegation to the recent Paris peace conference decided that the best policy would be to give all possible help to nations friendly to the United States but refuse aid to those who are unfriendly.

The argument over the Dardanelles will provide an illuminating test case. Granting Russia joint military defense of this strategic passage would be tantamount to handing her complete control. The Soviet Union of course has a tremendous interest in these straits which give her egress from the Black Sea to the Mediterranean. But the Dardanelles cuts through the land bridge from Europe into the Middle East and the waterway therefore is of prime importance to other western nations.

Britain and the United States concede Russia's rights to full use of the Dardanelles. The only point at issue is the refusal to give Moscow military domination of the straits.

GETS NEW JOB. Former Secretary of Labor Frances Perkins is shown as she took over her new post as a civil service commissioner in Washington. The only woman ever to sit in a cabinet of the U. S., Mrs. Perkins declared she saw room for improvement in the government's present personnel policies.

CITIZENS of MARION . . . .
We have another job to do!

Two years ago when the Marion Civic Planning Association was organized to study and suggest some course of action for our principal community needs, we realized that Marion school salaries were too low. Our first job for the schools, however, was to chart the course for a building program to meet Marion's school housing problem. That task has been done. Building plans are in the making to be ready when building conditions are favorable and jobs are needed.

Since that time, the Civic Planning group has made a careful study, over a period of months, of the teacher salary situation and our school operating expenses. It has reached the conclusion that we citizens ought to do something about them at once.

THE STUDY SHOWS THAT AMONG SIXTEEN OHIO CITIES IN OUR POPULATION GROUP, MARION RANKS NEXT TO LAST IN THE AMOUNT OF MONEY SPENT PER PUPIL FOR SCHOOLS. SINCE MORE THAN THREE-FOURTHS OF CURRENT SCHOOL COSTS GO FOR INSTRUCTION PURPOSES THIS MEANS THAT THE SALARIES OF MARION'S TEACHERS ARE AMONG THE LOWEST PAID IN CITIES OF THIS SIZE.

It might be maintained that our teachers who feel underpaid could, if they wish, seek employment elsewhere. Some already have but, this is not always possible because many of our finest teachers have their roots in Marion and feel a deep loyalty to Marion.

IF THESE TEACHERS WOULD MOVE TO GREENER FIELDS WE WOULD NOT BE ABLE TO CONTINUE TO REPLACE THEM WITH THE QUALITY OF INSTRUCTORS OUR CHILDREN DESERVE.

Except that the Civic Planning Association believes in fair play and fair wages for all, it is not organized to carry the torch for any special group of Marion citizens. It is however definitely and sincerely interested in the welfare of all of our children. It is for this reason that it is vitally interested in keeping now and in the future the highest quality of instructors possible.

The voters of Marion will be presented a ballot on November 5, for the approval of a 2 mill levy for school operating expenses. Over 80% of this levy will go for increased salaries of school personnel—the superintendent excluded. The balance will go to offset the increased cost of textbooks, fuel, supplies, maintenance, etc.

When you consider how much less your own dollar buys in the last few years you will realize how vital it is for the schools to have increased funds for salaries and operation in order to hold their own.

THESE FUNDS CAN COME ONLY FROM A MAJORITY VOTE OF APPROVAL BY MARION VOTERS.

For this reason, for Marion's future, for our children's welfare, the Civic Planning Association recommends that every Marion voter

Vote "FOR" the 2 Mill School Operating Levy on Nov. 5th

ANNOUNCEMENT is being made of the approaching marriage of Miss Mary Elizabeth Lydwig, daughter of Mrs. Ray T. Lodwig of 161 Garden street, and the late Mr. Lodwig, to John B. Wyatt Jr., son of Mr. and Mrs. J. B. Wyatt of 301 Leader street. Closed church will be observed for the ceremony which will be read Sunday afternoon, Nov. 17 in Emanuel Lutheran church, with the pastor, Rev. M. E. Hollencen reading the double ring service at 2:30 o'clock.

Miss Lodwig was graduated from Harding High school and was a student in the commercial training department of Capital university where she was a member of Kappa Sigma Theta sorority. Her fiance, a graduate of the Bucyrus High school received his discharge from service in November last year following 42 months of service in the Army Air Corps, 28 of which were spent overseas. He is employed at the Wise Super Market.

The wedding date was announced to close friends Saturday when Mrs. Lodwig entertained at her home. Clusters of nut shells caught to autumn leaves revealed the wedding date. Yellow and green leaves bore an inscription, "The Story in a Nut Shell," and concealed in the shell were double hearts upon which were inscribed "Mary and John, Nov. 17." The color theme was carried out at the small tables at which the guests were seated.

Entertainment included "yak" with going to Mrs. Donald Stevens and Mrs. John Lodwig. Guests included Mrs. Harold Parkey and Miss Virginia Fromm of Columbus, Mrs. J. B. Lecture-Recital Holds Meeting At Hotel Harding

A LUNCHEON MEETING of the board of Lecture-Recital club was held at Hotel Harding Wednesday, with an outline of programs presented and reports given. The group expressed approval of the proposed school bond levy which will be voted on at the coming election. It was reported that a note of appreciation had been received from radio station WHKC in Columbus for participation of club members here in the Marion county broadcast of the station's Know Your County program Sept. 22. Approval was given three new chairmen, appointed for this year, Mrs. Lewis Wilis, National Music week; Mrs. Walter Moore, art; and Mrs. LeRoy Schneider, music in industry. Mrs. Schneider was named recently as music in industry chairman for the district. Appointment of the new chairmen was made by Mrs. A. G. Birch, president, who was in charge of the meeting.

Mrs. H. K. Mouser, program chairman, outlined the year's program meetings, and gave a report on her state work of music in hospitals. She announced the next program meeting of the club will be Nov. 18 with local musicians taking part. Mrs. Birch reported on the recent district music club conference at Mt. Vernon, and Mrs. Karl Schell gave a report of the "Gay Nineties Revue" which the Past Presidents group presented Oct. 3.

New members reported for the Lecture-Recital club chorus by Miss Elizabeth Edgar, director, number 11, while 18 were reported for the Juvenile club and five for the Junior club. Miss Edgar stated the chorus is preparing for a vesper musicale Dec. 8, a report of Mrs. Ralph Mills was that the Juvenile club has started on plans for a program for National Music week, and the Junior club report was listed by Mrs. John Lacey. Mrs. E. P. McAfee made the social committee report. For the music in churches committee, Mrs. E. N. Hale reported the Christmas oratorio, "The Messiah," will be presented again this year. Promotion of music in industry with cooperation of the Universal Cooler Co. here was reported by Mrs. Schneider. A subscription was made to the Opera Guild and circulation of the Ohio Music Club News was urged among club members here. A meeting of the Study group, of which Mrs. Harry T. Williams is president, was announced for Oct. 28 at the home of Mrs. William Ackerman, with Mrs. James C. Woods as chairman.

Weddings

The home of the bride's parents was the scene of the wedding Sunday, Oct. 13, of Miss Roberta Mae Rhodes, daughter of Mr. and Mrs. Ray Rhodes of southwest of Wyandot, to Asa Murphy, son of Mr. and Mrs. A. L. Murphy of near Wharton. Rev. Lester Kidd, pastor of the Green Camp Baptist church, officiated for the double ring ceremony at 10:30 a. m. The couple repeated their vows before a background of white gladioli.

Preceding the ceremony, Mrs. Lester Kidd played "Indian Love Call," Friml, "Always," Berlin, and "Oh Promise Me," DeKoven.

The bride, given in marriage by her father, was attired in a dusty rose sheer wool dress trimmed in gold. With this she combined black accessories. Her only jewelry was a single strand of pearls, a gift from the bridegroom. She carried a bouquet of pink rosebuds centered with a gardenia. Her only attendant was her sister, Miss Virginia Rhodes. She wore a beige wool dress with brown accessories and a corsage of pink rosebuds.

Serving as best man for the bridegroom was his brother, Gilbert Murphy.

For her daughter's wedding, Mrs. Rhodes chose a black rayon faille dress with printed jersey trim and black accessories. Mrs. Murphy was attired in a forest green crepe dress with black accessories. Each wore a gardenia corsage.

Following the ceremony, a wedding breakfast was served at the home of the bride's parents. When the couple left on a wedding trip, Mrs. Murphy was wearing a French blue wool suit with white and black accessories.

Both Mr. and Mrs. Murphy are graduates of Harpster High school. Mr. Murphy is engaged in farming.

Announcement is being made here of the wedding of Miss Marjorie Thomas, daughter of Mr. and Mrs. N. J. Thomas of Junction City, and Cyril T. Smallwood, which took place Saturday, Oct. 12, at Columbus. The couple repeated the double ring service at 2:30 o'clock in the afternoon in a ceremony read by Rev. E. Stacy Matheny, chaplain of the Ohio senate and pastor of the Central Community church, in the Southern hotel. The bridegroom is the son of the late Mr. and Mrs. C. M. Smallwood of Marion.

The bride, given in marriage by her brother, Harold T. Thomas of Columbus, wore a suit in an aqua shade with which she combined black accessories. Her corsage was gardenias and red roses. Miss Jean Mills of Columbus, who was the maid of honor and the bride's only attendant, was costumed in a beige gray suit and wore black accessories with a corsage of red roses.

Serving as best man for the bridegroom was Robert A. Cannon of Columbus, Ga.

Following the ceremony there was a reception at the hotel and later the couple left on an extended wedding trip. Upon their return to Columbus they will make their home at 1167 East Broad street.

Mrs. Smallwood was graduated from the Junction City High school and before her marriage was employed in the Columbus office of the Ohio Farm Bureau. The bridegroom, a graduate of Harding High school is a chief petty officer in the U. S. Navy and is attached to the Navy Recruiting station at Columbus.

Announcement is being made of the marriage of Miss Ruth Long, daughter of Mr. and Mrs. Carey Long of 380 Chestnut street and Clifford J. Price, son of Mrs. Clara Price of 567 Mound street which took place Saturday afternoon, Sept. 7, at Decatur, Ind. The double ring ceremony was read at 1 o'clock by Rev. Paul W. Shultz, pastor of the Zion Lutheran church. Attending the couple were Miss Luella Coffey of Marion and Lawrence A. McDonnell of Upper Sandusky.

The bride wore an aqua wool gabardine street-length dress with black accessories. Her attendant was costumed in a tan suit with brown accessories.

The bride was graduated from the Pleasant Township High school in 1942 and is a typist with the Jay H. Maish Co. Mr. Price, who served four years in the Navy during World War II, was graduated from Harding High school in 1941. He is a machinist in the Universal Cooler division of the International Detrola. They are making their home at 140 East George street.

Miss Louise Vigor of Mansfield, formerly of Marion became the bride of Kenneth C. Purdy of Mansfield in a ceremony read Saturday morning in the parsonage of Epworth Methodist church here. Close friends of the couple attended the service read at 11:30 o'clock by the pastor, Dr. V. E. Busler. The attendants were Major and Mrs. Ben H. Rawls of Mansfield.

For her wedding Miss Vigor chose a light blue wool crepe suit with which she combined black accessories and wore a gardenia and pink rosebud shoulder corsage. Mrs. Rawls was costumed in a light gray wool suit and wore a corsage of yellow rosebuds.

Following the ceremony there was a breakfast at Hotel Harding where the hostesses were Mrs. Ben T. Want, Mrs. Nelson G. Irvin and Miss Alice Gertrude Smith. The table was centered with a tiered wedding cake decorated with a bride and bridegroom. Mrs. Purdy is the daughter of the late Mrs. Jane Vigor of Mansfield and Charles E. Vigor of Marion. Mr. Purdy is the son of Mr. and Mrs. A. O. Purdy of Mansfield. Both are employed with the Westinghouse Electric Co. in Mansfield where they will make their home at 143 Mulberry street. Mr. Purdy served with the U. S. Army for 30 months most of which were spent in the European theater.

Announcement is being made here of the marriage of Miss Lucille Shipe, daughter of Mr. and Mrs. Arthur R. Shipe of Merkel avenue, formerly of Shamokin, Pa., to Joseph Kooperman of Ann Arbor, Mich. The double ring ceremony was read Saturday, Oct. 12, at 8 o'clock in the evening in the Methodist church at Northumberland, Pa. Rev. J. E. A. Bucke of Newport, Pa., officiated, assisted by Rev. Nelson Frank of Northumberland. Palms and bouquets of gladioli decorated the church.

The bride, given in marriage by her father, wore a colonial ivory brocaded satin gown fashioned with a drop shoulder effect. The skirt extended into a long train and her veil was fingertip length. She carried a bouquet of white chrysanthemums. Attending the bride as matron of honor was her sister, Mrs. Robert Roder of Northumberland, and little Sandra Lee Roder, niece of the bride, was flower girl. Mrs. Roder was attired in a blue gown with a matching short veil and carried a bouquet of yellow chrysanthemums. Miss Roder's gown was of a peach color and she carried a nosegay of chrysanthemums.

Serving as best man for the bridegroom was Lester K. Shipe, a student at Ohio State university and brother of the bride. Ushers were George Shipe of Elysburg, Pa., brother the bride, and Capt. Paul Menig of Newark, N. J., brother-in-law of the bride.

Preceding the ceremony, Franklin Fertig of Northumberland sang "O Promise Me," "Because," and "Blest Be the Tie That Binds," and was accompanied by Miss Gertrude Brouse, church organist.

Following the ceremony, a reception was held at the home of Mrs. Roder for about 50 guests. Mrs. Shipe, mother of the bride, presided, and was attired in a black gown with matching accessories. The couple left late in the evening for a wedding trip to Chicago, Ill. They will make their future home in Ann Arbor, Mich.

Mrs. Kooperman served as a second lieutenant in the Army Nurse Corps, and Mr. Kooperman was one of her patients while at Camp Atterbury, Ind. Mr. Kooperman was an officer in the Army and served overseas in the European theater.

In a ceremony read Saturday, Sept. 28, in St. Anthony's church in Atlanta, Ga., Miss Nettie Rose O'Neal of Atlania., Ga., daughter of Mrs. John O'Neal of Jackson, Ga., and the late Mr. O'Neal, was united in marriage with Philip P Finnegan of Marion and Newark, N. J. Officiating was Rev. Father Felix Donnelly.

The bride, given in marriage by her brother, J. W. O'Neal, wore a gown of white Duchess satin fashioned with a sweetheart neckline accented with seed pearls and leg o'mutton sleeves. The skirt extended into a long train. Her fingertip veil of illusion was caught with sprays of orange blossoms. She carried a white satin prayer book topped with purple orchids.

Attending the bride as matron of honor was her sister, Mrs. William S. Norman, and bridesmaids were Miss Patricia Finnegan, Miss Edna Ware and Mrs. William Frith. Mrs. Norman was attired in a pale blue taffeta dress made with a bustle, and wore a matching hat of marabou. The bridesmaids wore yellow taffeta dresses fashioned like that of the matron of honor, and matching gauntlets. Their poke bonnets were tied with yellow net. Each carried a colonial bouquet of yellow roses and gladioli tied with blue satin streamers carrying out the bride's colors.

Serving as best man for the bridegroom, who is the son of Mr. and Mrs. L. W. Finnegan of 274 Reed avenue, was his brother, John W. Finnegan. Ushers were Lawrence Finnegan, Victor O'Neal and William Frith.

For her daughter's wedding, Mrs. ONeal wore a black dress with pink accessories and a corsage of pink roses. Mrs. Finnegan was atired in a black dress trimmed with sequins with which she combined white accessories. Her corsage was of red roses.

At a rehearsal party, Miss O'Neal presented her matron of honor with a compact and the bridesmaids with rhinestone bracelets. Mr. Finnegan gave his best man and ushers tie sets.

A reception at the home of the bride's mother followed the ceremony. When the couple left on a wedding trip to the Smoky mountains, Mrs. Finnegan was wearing a gray dressmaker suit with black accessories and a corsage of purple orchids. They are making their home in Orange, N. J., where Mr. Finnegan is a student actuary in the home office of the Prudential Life Insurance Co.

Mrs. Finnegan is a graduate of Jackson High school, Jackson, Ky., and attended Atlanta Business college. Mr. Finnegan was graduated from St. Mary High college, Mt. Finnegan was also recently placed in the Officers Reserve Corps after serving four years with the Army Air corps.

Attending the wedding from Marion were Mr. and Mrs. L. W. Finnegan, John, Patricia, and Lawrence Finnegan, also Miss Laura, Estella and Catherine Schuler of Galion, aunts of the bridegroom.

Announcement is being made of the marriage of Miss Jane Bishop, daughter of Mr. and Mrs. A. J. Bishop of Morral and Walter H. Straw, son of Mr. and Mrs. Harry Straw of 421 Park boulevard, which took place Thursday. The ceremony was read at 7:30 o'clock in the evening at Newport, Ky., with Rev. Edgar A. Howell, Methodist minister, reading the ceremony at his home. They were unattended.

For her wedding the bride wore a dove gray crepe costume with scarlet accessories. They are making their home for the present with the bridegroom's parents. Mr. Straw is employed by the Marion Power Shovel Co.

OHIO POLITICOS GET IN "LICKS"

Lausche, Herbert Speak in Cleveland Sunday Campaigning.

By The Associated Press

CLEVELAND, Oct. 21—Neighbors Gov. Lausche and his Republican opponent, Thomas J. Herbert, spent Sunday in their home town but each found time to get in a few campaign "licks."

The governor made three appearances, addressing the 40th anniversary banquet of the Croatian Fraternal Union's Lodge 255 in the Slovenian workingmen's home; appearing at a United Nations rally in Masonic auditorium, and participating in ground-breaking exercises where new homes are being erected on the site of the disastrous East Ohio Gas Co. fire which occurred two years ago yesterday.

Herbert confined his Sunday talks to an appearance before about 100 members of the Literary Forum at St. James A. M. E. church.

The governor again called for an explanation from his opponent of what he has termed the "Amos and Andy liquor deal" in his talk to the Croatian lodge. The chief executive said the brandy contract, which took place while John W. Bricker was governor and Herbert attorney general, had cost the state $1,000,000.

Lausche said the price of the brandy had been jumped from $35 a case to $42.50 a case after the contract was signed, but Saturday night Thomas T. Craign, state liquor department official at the time of the transaction, said the increase resulted from a new federal tax of $3 a gallon, making the added tax on a 2.4 gallon case $7.20.

Herbert confined his Literary Forum talk to an explanation of how the two-party system of government prevents swings too far to the right or left, and urged his listeners to go to the polls on election day.

He also said "the greatest bulwark against the spreading of intolerance within this country is public school education," and promised there would be no veto of "public school appropriations when I am governor of Ohio."

Herbert also pledged that all money appropriated for all age pensions would be used for that purpose, and "no surplus would be allowed to accumulate for political purposes. That law will be administered without discrimination."

TWO YOUTHS NABBED RIDING IN STOLEN CAR

Taken to Police by Son of Auto's Owner.

A 16-year-old Marion youth is in the Marion county detention home today pending hearing in juvenile court on charges of auto larceny and a 15-year-old companion is being held in the detention home on investigation.

They were apprehended Friday at 11:15 p. m. when they drove up with the stolen car, owned by William A. Fogle of 369 Duluth avenue, in front of the Y. M. C. A.

James Fogle, son of the owner of the stolen car, and Clifford Bentley of the Campbell road were standing on the street in front of the Y. M. C. A. when the stolen car carrying three boys approached and Fogle recognized the car as that of his father. He and Bentley ordered the three boys to get into the car and then drove to police headquarters.

The 16-year-old admitted he had stolen the car from the rear of the Snyder hotel on North State street Thursday about 5:30 p. m. and said he had driven it to Findlay with two other youths. On returning from Findlay he told police he hid the car behind billboards near 501 North Main street, and said on Friday night he had driven it around the city before pulling up at the Y. M. C. A.

The 16-year-old boy and a 15-year-old companion who police said knew the car had been stolen, were the only youths held.

W. VA. TRAIN DERAILED

PORTSMOUTH, O., Oct. 21—The Norfolk and Western office here reported that its freight train No. 88, eastbound from Portsmouth to Williamson, W. Va., was derailed at 6:15 a. m. today at Webb, W. Va. An undetermined number of cars were wrecked and the double-track line was blocked. No injuries were reported.

Stockyards Jammed for Today's Auction

Driveways leading into the Marion Union stockyards were jammed with farm trucks today bringing to market huge cattle and lambs for the first yearly sale here since removal of the stock ceilings last Tuesday.

Stockyards officials expected their largest sale since July 1941 as receipts for the day were expected to total approximately 800 and cattle receipts about 350.

Hog prices today were quoted at $24, a $2 increase from Saturday's high. Cattle and lamb prices are expected to be about the same as they were Saturday, stockyards officials said, with good quality lambs bringing about $21. Most of the steers arriving at the stockyards today were of unfinished quality and probably will sell for between $18 and $22, livestock officials said.

12 OHIOANS MEET VIOLENT DEATHS

By The Associated Press

At least 11 Ohioans met violent death over the week-end most of them in traffic accidents. Two were killed in shootings.

The shooting victims were Bernard E. Clark Jr., of Cleveland, a bystander in a Steubenville night club quarrel, and Arthur Kinkopis, 20, killed as he and four companion drove away from a Cleveland restaurant.

A collision between a Greyhound bus and an automobile near Erie, Mich., north of Toledo, killed Joseph O. Eppstein, prominent Toledo attorney, driver of the car, and injured Al Pachy, 35, of Columbus, the bus driver, and 21 passengers including A. F. Relyea, 37, of Findlay, who suffered minor injuries.

Two 19-year-old ex-Marine buddies, Lionel K. Gehring and James R. Osborne of Rittman, Wayne county, were killed in a crash of a car into a concrete wall in Akron. Nick Bostos, 19, and Richard Faber, 20, also of Rittman, were injured critically.

In Cincinnati a motorcycle struck and killed Joseph W. Barth, 62. Near Columbus Henry Cobb, 36, walked into the side of an automobile and was killed. A three-year-old Columbus boy, Ralph Howell, ran in front of a car and died.

In Cambridge the rear tire of a motorcycle blew out, throwing the cycle into a telephone pole and killing the driver, Orville LeRoy Steele. A blowout also killed Ernest Carlisle, 43, in Antrim, also in Guernsey county, overturning his car.

Arthur G. Nasko, 30, of Cleveland, a Pennsylvania railroad brakeman, died in Akron of injuries suffered when he fell from a moving train. Injuries suffered Friday night when she was struck by an automobile resulted fatally for Miss Alice Ayars, 50, of Cleveland.

TURKS SPURN RUSS

By The Associated Press

ISTANBUL, Oct. 21 — Turkey has served notice again that she will not grant Russia a share in defense of the Dardanelles and in effect has refused even to talk with the Soviet Union on the subject. The Ankara government last night published its second note within two months rejecting Soviet demands that Black Sea nations alone control the strategic strait and that Russia and Turkey join in the Dardanelles' defense.

ARMY EXPECTS MORE GERMAN BOMBINGS

By The Associated Press

STUTTGART, Germany, Oct. 21—A ranking American army official said today he expected more bombings like the weekend blasts in the Stuttgart area, as "protests against the denazification program."

"The American military government expects a widespread outbreak against the denazification program," the official said in Berlin.

U. S. military and German criminal police worked with counter intelligence agents in efforts to crack the bombing of two denazification board headquarters and a U. S. military jail crime. The investigators thought to be connected to the approaching German trial of Hjalmar Schacht, truculent old banker who was acquitted at Nuernberg. No one was hurt.

Schacht, under arrest in a German prison some distance from the one which was bombed, shouted to a reporter from his cell that the bombings were "obviously a Democratic protest against the Hitlerite measures of the Germans who want to try me again."

The city of Stuggart offered a $2,500 reward for information. American authorities disclosed that an American motor pool was destroyed in an explosion in the Mannheim area early this month and that a week before the Stuttgart bombings, an American army officer's car was demolished south of here by an infernal machine. The investigators thought both incidents "possibly may have some connection."

LABOR DISPUTE HERE STILL IS UNSETTLED

Some Progress Reported Made at Saturday Conference.

Negotiations to settle a labor dispute at the Marion Metal Products Co. plant here were still deadlocked today and the plant was still idle with approximately 250 members of the International Association of Machinists still away from their jobs.

Union members met with company officials Saturday, and Ray Beverly, business representative for the union, said "a little progress" was made.

The union men left work at 1 p. m. Wednesday when, they said, company representatives did not meet with the union committee regarding renewal of a working contract which expired Sept. 1.

The union, members of Roosevelt lodge No. 1281, was in session today and indicated at noon that it might have a proposal to offer company officials before the end of the day.

Mr. Beverly said the union might arrange for another meeting with the company late today, but indicated that so far there was little hope for a settlement before tomorrow.

COTTON FUTURES IN $10 PER BALE DROP

By The Associated Press

NEW YORK, Oct. 21—Cotton futures prices dropped the permissible limit of $10 a bale on three active months—May, July and December — as trading resumed today on the New York cotton exchange.

At the opening May sold at 30.50 cents a pound and July at 29.60 cents a pound.

On the New Orleans exchange —which had closed Saturday along with the New York and Houston markets—the opening was $3 to $10 a bale lower and the limit was reached on the same three months.

Trading was extremely active on the New York market at the opening, after the week-end suspension, which the exchange had announced was to allow the liquidation of a large long interest.

Trade reports were that the closing out of one long account over the week-end covered 175,000 bales of cotton, and that a large cotton firm took the staple.

Sen. Elmer Thomas (D-Okla) asked the commodity exchange authority of the agriculture department to investigate cotton buying and selling during last week. CEA asked the exchanges for data on short and long interests.

New York exchange spokesmen denied the senator's charges that a "bear raid" had been planned and executed.

$15,300 A Year Sought

Frye, in his statement, had declared that the union was demanding $15,300 a year for pilots flying 20 hours a week in the four engine craft. He added that the panel's recommendations actually "resulted in pay increases up to 36 per cent for co-pilots in international services" as well as the $750 boost in base pay and other adjustments.

Columbus Operators Reject Strike Offer

By The Associated Press

COLUMBUS, O., Oct. 21—The Columbus and Southern Ohio Electric Company today rejected the three-point recommendation of the citizens committee to end the 21-day-old street car strike in Columbus.

"We regret to inform you that we cannot comply with your committee's recommendation," the company said in a report to Mayor James Rhodes. Rhodes had appointed the committee to try to settle the strike.

The 14-cents an hour increase recommended by the committee for the street car and bus employes was declared by the company to be "excessive."

The union announcement that the strike was on said planes still in the air at 5 a. m. in this country would continue to a division point and that those abroad would fly on to the city where the pilot normally lays over for a rest.

"The present strike involves only TWA first pilots and co-pilots," Behncke said, "but was the full moral support of all the country's airline pilots who are organized and the complete sanction of the central executive of the association."

Impending Attempt On Pope's Life Reported

By The Associated Press

ROME, Oct. 21—An informant at Italian police headquarters said today that "vague reports" were received there some days ago of an impnding attempt on the life of Pope Pius XII.

The informant said these reports—which an intensive investigation had failed so far to substantiate—said the plot had been fomented by Yugoslav elements irate at the Vatican's action in excommunicating Yugoslav Catholic officials held responsible for the collaboration trial of Archbishop Alojzije Stepinac. Stepinac, head of the Catholic church in Yugoslavia, was convicted and sentenced to 16 years imprisonment.

A list of some 20 names of the alleged plotters was furnished to the Italian police, the informant said.

The informant denied reports that an arrest had been made, in connection with the rumors.

Queen Elizabeth Resplendent As She Arrives in New York

By The Associated Press

NEW YORK, Oct. 21—Britain's Queen Elizabeth, her ugly duckling days behind her, rode to a queenly welcome in New York's great harbor today as she completed her maiden voyage to open a new era of transAtlantic luxury travel.

Resplendent in her new dress of black, red and white, and her rails lined with happy, waving passengers, the 83,673-ton liner, shone in the morning haze as she steamed to her North river berth.

While a noisy little army helicopter hovered near the liner and airplanes flew overhead, two fire department boats escorted her to pier 90 where she docked at 7:34 a. m. he carried 2,314 passengers, many of them delegates to the United Nations general assembly.

Among them were V. M. Molotov, foreign commissar of Russia, Senator Tom Connally (D-Tex.), Andrei Y. Vishinsky of Russia, Paul-Henri Spaak of Belgium, Jan Masaryk of Czechoslovakia, Quo Tai-Chi of China and a British delegation headed by the Right Honorable Philip J. Noel-Baker. A cross section of British nobility also was aboard.

The landing was in sharp contrast to unheralded visits the Queen paid to the New York port in wartime, when the gray-painted ship, whose luxury-liner career was forestalled by the war, brought home-coming veterans into the port.

For six years she traveled the seas in navy gray, sailing nearly 500,000 miles and carrying more than 800,000 servicemen.

DECONTROL OF STEEL SEEN BY YEAR'S END

By The Associated Press

CLEVELAND, Oct. 21 — The change in the administration's stabilization policy within the past week was so marked that general lifting of price regulations on steel may come before the end of the year, the magazine Steel declared today.

"Precise immediate effect should steel prices be decontrolled is difficult to gauge," the trade trade journal said. "The industry is not pressing for a broad overall increase, indicating conservatism in price policy, which undoubtedly would be extended to a free market. Removal of ceilings on steel, however, probably would be accompanied by similar action on raw materials, including scrap, and cost increases in other directions, with the result considerations underlying present appeals might have to be revised. In turn, this might lead to a broader increase and possibly to a greater rise on some products than now contemplated."

Steel said that whatever developments steel producers may be expected to make prices as staple as circumstances will permit during the period of readjustment to normal marketing.

The magazine termed ability of [illegible] to maintain high production the greatest concern at the moment.

At Bedtime RELAX Tired Body With a Vita-Fresh Massage —and Sleep Like a Top 'til Morning!

Do you have trouble in dropping off to sleep — or getting sound, restful all-night slumber that finds you refreshed in morning? Then try this and see what happens: Tonight—just before bed—have a warm bath and follow with a gentle, soothing, skin-caressing, Vita-Fresh Body Rub down your legs, back of neck and spine. See how a bedtime Vita-Fresh massage invites every tired muscle and tensed nerve to relax as your head hits the pillow.

Vita-Fresh Body Rub—the modern substitute for harsh skin drying alcohol rubs—is now used regularly by nurses in certain hospitals and many homes for greater patient comfort. It's just as good for well folks too. Used and endorsed by a growing host of athletes, golfers, masseurs and men and women in all walks of life. A Vita-Fresh Body Rub is an experience you'll be glad to repeat. Try one and see. At Henney & Cooper's or any well stocked drug store.

Good Funeral Service Is Something More . . .

There still are a great many who think that the highest ambition of a funeral director is the sale of a fine casket. Good funeral service is much more than that.

The rule at the Hughes Funeral Home is first of all to properly serve the family. They have placed their confidence in us and, at the very least, are entitled to that consideration. When it comes to the matter of casket selection, it is entirely governed by their own choice. Our prices are plainly marked and every family we serve may buy as they see fit.

This method of fair and open dealing has led to a long list of satisfied patrons. It is one of the reasons why we have been called to serve repeatedly in the same family.

...ichwood Dedicates Athletic Field in Impressive Ceremony

...ecial to The Star

...OOD, Oct. 21 — Rich... ...ates its new athletic ... impressive ceremony ... Richwood-Marion St. ...tball game Saturday ...

...od band, assisted by ...an Legion and Vet... erans of Foreign Wars, held the flag raising at the start of the program. The flag pole was a presentation from the class of 1946.

Rev. Edward B. Brewster of the Richwood Methodist church gave the opening prayer. George L. Stults gave the presentation speech and the field was accepted for the board of education by Dr. W. C. Bowen, president. Arby Cramer accepted for the Veterans of World War I and William Wall accepted for veterans of the second World war. The field is dedicated as a memorial to the veterans of these wars.

G. E. McFarland, superintendent of the Delaware county schools, was the principal speaker. His topic was "Football Past and Present" and he told of some of his experiences in coaching the team of 1913, the first in the Richwood school's history and how in the next season they started to win games. He pointed out the great improvements effected by Richwood and football in general since then.

Funds for the new field were raised by the Richwood Memorial Field Incorporation. Non-interest bearing certificates were sold and the high school athletic association will redeem the certificates. After all the certificates are redeemed the Memorial Field Incorporation will present the field to the high school and will then be dissolved.

(Account of Richwood-St. Mary football game is on sports page)

The band under the direction of Marvin Fogt, gave a concert during the period between the halves. The new electric score board was presented by the Hastings funeral home and the Winters funeral home.

751 HEAR LUTHERAN CHOIRS SING HERE

Prof. Snyder Directs Program at Emanuel Church.

An audience of 751 heard choirs of seven Lutheran churches of this area and a massed choir of approximately 300 voices in the annual festival of the North Central Ohio Lutheran Choir association here last night. The musical event was at Emanuel Lutheran church, with Prof. Ellis E. Snyder of Capital university at Columbus, as guest conductor of the massed choir, and festival critic. Rev. M. E. Hollensen, host pastor, was in charge of an opening service.

Numbers were presented by the choirs of Good Hope church, Bucyrus; St. John church, Cardington; Nazareth church, Chatfield; Emanuel church, Marion, both senior and junior choirs; St. Paul church, Upper Sandusky, both senior and junior choirs; Trinity church, Crestline; and St. John church, New Washington. Massed choir selections included "Thy Word Is a Light," Morgan; "Great Art Thou, God," Hartmann; and "The Lord Bless You and Keep You," Lutkin. Mrs. William Ackerman, organist of the host church, presided at the organ for prelude and postlude.

Five Injured In Cardington Mishap

Five persons, four from Pittsburgh and one from Cardington, were sent to Jane Case hosptial in Delaware Sunday at 1 a. m. when the automobile in which they were riding overturned on route 42 half a mile west of Cardington, the state highway patrol reported today. None was believed seriously injured, the patrol said.

The injured included Ethel Brimber, 52, of Cardington; Harry Bonner, 48, the driver; his wife, Florence; James Webster, 72, and Henry F. Ward, 37, all of Pittsburgh.

Driver of the car was believed to have lost control as it rounded a curve in the road, the patrol said. The automobile was badly damaged.

Reuther emphasized that wage demands would not be static during negotiations, declaring "as costs increase we will certainly revise our figures upward."

The UAW also announced it would seek:

An employer-financed social security program providing benefits in the event of sickness, disability and death, plus maternity, hospital, surgical and medical care for the worker and his family.

An adequate retirement program to supplement present benefits under the social security act by providing a lower eligibility age and by adding to benefits now effective at the age of 65

A guaranteed annual wage.

Since January, 1941, the board statement continued, the total increase in the cost of living has been 50 per cent.

Can you answer these questions about our Community Chest?

Q...Why do we have a Community Fund?

A...Because it's the simple, sensible way to raise at one time the money needed by the 8 Red Feather social, welfare, health and recreational agencies of our Community Chest.

Q...Do the agencies like the idea?

A...Yes. It means the money they must have is secured in an orderly fashion . . . rather than left to hit-or-miss individual drives.

Q...How much money do we need?

A...$67,190.

Q...Who says we need that amount?

A...A committee of our own local citizens which has studied the needs of the community and the budgets of each agency.

Q...Who decides how much each Red Feather service gets?

A...Our committee weighs the need for each service . . . and allocates funds accordingly.

Q...How do I gain?

A...Because you give ONCE and for all 8 agencies. Your doorbell isn't rung 8 times. And you can be certain that the money you give is wisely and effectively distributed among the 8 Red Feather services.

Q...What does the Red Feather mean?

A...The Red Feather is a symbol of our faith in our fellow men, our willingness to share what we have with others, and a desire to bring health, happiness and opportunity to all the people in our community. It identifies the member agencies of our Community Fund. The Red Feather in your hat or lapel, or in your store or office window, means that you have rendered a service to your town by giving to your Community Fund.

Q...How do I give?

A...Sometime between Oct. 21 and 31 a volunteer Red Feather worker will call on you at home or at your place of business. Give him your pledge then.

Q...Why should I give?

A...Because, in giving, you will help not only your community, but yourself. Everybody benefits — because Red Feather services improve the health, happiness, and welfare of our people. They help build good citizenship and character among our youth. They help make our town a better place for you to live.

Q...Is the USO included in this year's Fund?

A...Yes. We still have a million and a half GIs in training, in garrisons, and overseas. And at the earnest request of General Bradley, seconded by General Eisenhower, more than a hundred Veterans' Hospitals have been added to USO "camp shows" hospital circuits. This is the final appeal of the USO, and it's just as important to our boys in service now as the first one was five years ago.

Q...What Red Feather services are included?

A...There are 8 in all. They are listed below.

1. Y. M. C. A.
2. Boy Scouts
3. Girl Scouts
4. Y. W. C. A. Girl Reserves
5. Salvation Army
6. U. S. O.
7. United Seamen
8. King's Daughters

If it takes 3 pairs of wires to connect 3 telephones and 12 pairs to connect 6 telephones, how many are needed to connect 12 telephones? The answer is 66! Puzzling, isn't it? As these pairs of wires increase, expensive central office equipment increases in proportion. Each additional telephone means wider service for you without raising your telephone bill. And here's something else. Each additional telephone installed adds to the cost of providing telephone service for you and everyone else.

FFA Members from Marion Co. Leave for National Convention

Seven Future Farmers of America from Marion county are attending the National FFA convention in Kansas City, Mo., this week. The convention officially opened today and will continue through Thursday.

Highlight of the FFA gathering will be the presentation of the Star Farmer awards. In addition to the Star Farmer of America award, there will be awards of $150 each to regional Star Farmers from the North Atlantic, North Central, Southern and Pacific regions. The Star Farmer award ceremony will be held Tuesday at 2 p. m.

Last year's Star Farmer of American award went to a Marion county youth, Gordon Eichhorn of Pleasant township, son of Mr. and Mrs. John Eichhorn. Only one such award is made in the nation. Gordon operates a 186-acre farm with his father in Pleasant township. He is married and the father of a four-month-old daughter.

The Pleasant township FFA chapter has sent four representatives to the event. They are Lowell Hedges, Loren Hoch, Robert Dunbar and Robert O'Brien. Hedges and Hoch graduated last year, both receiving State Farmer awards. They will compete next year for the American Farmer award. Dunbar is president of the Pleasant township FFA chapter and O'Brien is vice president.

Three boys from the Meeker FFA Chapter left Friday night to attend the convention. They are Jack Dean, president, Wayne Roszman, vice president, and Carl Neville, reporter. Wayne Roszman is serving as a delegate and the other two as representatives.

Ohio headquarters at the convention will be in the Minneapolis-Moline building in Kansas City, and meetings will be held in the Municipal auditorium. The last session will be held Thursday afternoon and a banquet in the evening will close the convention.

Mr. and Mrs. Ralph Roszman accompanied the Meeker boys to the convention by auto and plan to visit points of interest in Kansas and Missouri, while the convention is in session. This is the first time the Meeker FFA chapter has been represented at the national convention.

UPPER SANDUSKY SCHOOL HOLDS OPEN HOUSE NIGHT

500 Attend Program of Class Work and Assembly.

Special to The Star

UPPER SANDUSKY, Oct. 21—More than 500 visitors, parents and friends attended the "Open House" at the high school Friday night. Regular recitations were conducted from 8 until 9 p. m. Parents visited the class rooms and in some instances entered into the discussion or work of the class room.

Approximately 1,000 parents and students of the school packed the auditorium for the assembly program. Mr. Joseph R. Strobel, director of vocational education, state department of education delivered a brief talk, complimenting the people of Upper Sandusky on the interest exhibited by the many visitors who were present at the classes, and the assembly.

The choir presented four numbers under the direction of C. W. Assenheimer. A movie was shown.

Superintendent Charles Davis gave reasons why the teachers salaries should be raised. He stated "35,000 teachers have withdrawn from the profession since 1939, and that schools have attempted to fill their vacancies by employing unqualified teachers. These are not the kind needed to train our young people."

Following the assembly program the guests were invited to a social hour and tea served by the Classroom Teachers association in the high school cafeteria.

U. S. PROTESTS FATAL MISHAPS

Sends Sharp Note to Russians Over Shooting of American in Berlin.

By The Associated Press

BERLIN, Oct. 21—The American military government protested sharply to Russian authorities today over the fatal shooting of Victor D. Flory Jr., of Pawnee City, Neb., by a Soviet military sentinel in the Soviet sector of Berlin.

The office of Lt. Gen. Lucius D. Clay, deputy American military governor, disclosed the protest, saying that it was concerned "not so much with the shooting as with the fact that an American party was molested at all in this city where there is free traverse between the occupation sectors."

Flory, 26, was killed Sunday when he failed to follow orders to proceed to Russian headquarters after a Russian major and a military policeman had halted him and his companions on a picture-taking jeep ride, two American women and a German chauffeur.

Reports to agents of the American army's criminal investigation division said the Russians halted the Americans because they had been taking photographs in the neighborhood of Unter Den Linden.

Later U. S. army headquarters here said it had an unofficial version from the Russians that the Russians stopped the Americans while "looking for hoodlums in an American jeep who invaded a polling place" during Berlin's Sunday elections.

CID agents said the two women —Miss Carolyn E. Wysor of Cleveland, O. and Miss Perra Johnson of Sumter, S. C.—told them Flory was shot after two Russian policemen came upon the party taking pictures of some landmarks in the neighborhood of Unter Den Linden.

Flory was chief of the reports branch of the control office of the American military government in Berlin. He was the son of the publisher of the Pawnee City Weekly Republican.

Miss Wysor is administrative assistant to the chief of the metals secton of AMG. This section formerly was headed by her father, Rufus J. Wysor, Cleveland steel executive.

Medical Care

Mrs. Walter L. Layman of near Marion is receiving medical care at City hospital. She was admitted Sunday afternoon.

NURSE IS HEROINE IN MID-ATLANTIC. When the Norwegian liner Stavengerfjord came to the rescue of the Swedish ship Kritina Thorden, which was afire in the mid-Atlantic, Nurse Nora Hoel (left) was the heroine of the rescue drama. Arrow (above) points to Nurse Noel, wearing a lifebelt, as she went along in the first rescue lifeboat, boarded the burning ship, and assisted the ship's doctor care for the injured at the risk of her own life. She made several trips between the stricken vessel and the rescue ship to care for the injured during the hazardous transfer operations.

Shakespeare's Penmanship Puzzles Americans

By ED CREAGH
Associated Press Writer

LONDON, Oct. 21—I always thought I could write better than Shakespeare and now I know it.

I refer, of course, to penmanship. A long succession of school teachers, city editors, bank clerks and passport officials have wrapped my knuckles, hurled copy back at me or just shook their heads over the highly original way I form letters and words.

"Well, if they're over this way they can drop by the public record office museum, just reopened after the bomb damage was patched up, and convince themselves that I am in good company for once. Shakespeare wrote as if somebody was gnawing his pen.

The bard's signature—discovered 36 years ago by Prof. C. W. Wallace of Nebraska—appears on a court document dated 1612 and is one of those things we must take upon faith, even though we think it odd that the man who wrote "Hamlet" should spell his name "Willm Shakp".

Like Center Fielder

That's what it says on the label, anyhow. To me it looked like "Walter Soskiusco" a very fine center fielder I once knew. My wife said it looked to her like a message delivered after 4 a. m. and later translated "Won't be home for dinner."

"This man Shakespeare," said my wife severely, "would never have got his Palmer method certificate if he had lived to be a hundred. He should have done some push-pulls and compact ovals." She used to be a school teacher and knows about those things.

Samuel Pepys, Guy Fawkes, John Knox and the poet Spenser didn't come off much better as we ambled around the big room where the British government has collected a few million pounds worth of historic documents for people to rubber at.

Had Good Excuse

Fawkes, to be sure, had some excuse for the scrawl he put at the bottom of a statement admitting that he and some pals had been playing with matches in the neighborhood of some gunpowder under the house of parliament.

"The signature is believed to have been affixed after torture," the label says.

Geoffrey Chaucer on the other hand wrote prettily as you could ask, although it was all I could do to prevent my wife from marking red circles around the misspelled words. Henry VI took no chances, he signed his name with a wooden stamp.

It was like peeking through a keyhole of history poring over the deeds and diaries, the maps and "please-remit" notices of seven centuries, while the uniformed guards kept counting to make sure they still were all there.

Bunyan License Displayed

John Bunyan's preaching license was on display, and a note from Sir Walter Raleigh asking if he hadn't been in jail long enough, and a letter from George Washington to his "great and good friend" George III who had just lost a war in which Washington played some part.

There was a letter from the poet Shelley assuring his first wife he would do anything he could for her "even now when a violent and lasting passion for another leads me to prefer her society to yours." The unconvinced wife drowned herself in Kensington Gardens.

But my favorite was an 1851 census blank on which Queen Victoria demurely listed herself as "wife" and her husband, the German born Prince Consort, as "head of the family." I was still lecturing on the virtues of Victorian womanhood when four o'clock came and they turned out the lights.

service. Operations had been 23 per cent of normal.

Department stores, operating on a curtailed basis, also announced a return to regular hours today.

The union went on strike Sept. 24 demanding a wage boost it said would increase the average basic pay from $1.18 to $1.41 an hour. The company had offered a five per cent hike.

Business generally was hard hit by the work stoppage, except for the basic steel and coal industries which continued normally.

The U. S. employment service office said $3,179,360 had been spent in unemployment compensation to 79,484 persons from Sept. 30 through Oct. 17. An accurate estimate of the economic loss unobtainable but Mayor David L. Lawrence said it was "staggering."

ST. MARY GRIDDERS EDGED OUT 12 TO 6 AT RICHWOOD

Tigers Trip Irish To Make Dedication Rites Official

By GEORGE ROEST

Richwood's dedication ceremony for their new improved athletic field was complete Saturday night right down to a 12 to 6 victory over Marion St Mary. Approximately 1,500 were on hand for the contest and dedication a good portion of them supporters of the Irish.

There was no scoring in the first half, St. Mary holding a slight edge in the statistics. Richwood received the kickoff, driving to the Irish 20 before losing the ball on a fumble on the 25. This was the deepest penetration made by the Tigers in the first half.

St Mary drove from their 31 to the opponents' 22 loosing the ball on downs and another drive resulted in their being on the Tigers 16 before giving up the pigskin.

Richwood drove from their 19 to a first and 10 on the St. Mary 28 as the half, ended. Passes Smith to McElroy and Wiley were instrumental in this drive.

Both Get Six First Downs

Both teams gained six first downs in the first half, St. Mary netting 135 yards rushing against a net for Richwood of 86. Richwood gained 15 yards through the air. St. Mary getting four yards.

Receiving the kickoff in the third quarter and sparked by several spurts downfield by Bob Stuber, one of 19 yards, St. Mary got a second down and three on Richwood's seven, loosing the ball on a fumble on the five.

Richwood kicked out of their end zone and St. Mary drove to the eight from the Richwood 39 with the aid of a 27-yard run by Ed Murphy before losing the ball on downs.

Tucker Smith went into punt formation for the Tigers and the St. Mary line converged on him, Joe Maniaci covering for the tally. Werley's conversion attempt was wide.

68-Yard Run

Werley kicked to Less Wall on the eight who advanced to the 32 before being stopped. Behind brilliant interference Smith ran 68 yards for the initial Tiger score. Wall's attempted pass to Davis for the point was incomplete.

St. Mary drove to within 27 yeards of pay dirt but a penalty forced them back to the 43 Schuler punted to Wall on the 12 for a runback to the 43

In the last quarter Richwood drove to the two, an offsides penalty putting them back on the seven, and once again they got dangerously close to the Irish goal this time being penalized to the eight from the three.

A pass Wall to Wiley was no good making it forth and eight. Smith passed to Wiley midway between the five and the goal and, shaking off the Irish grider who attempted to block the pass, Wiley went into the end zone Marsh's kick was no good.

10-Yard Runback

Ransome kicked to Tobin on the Irish 30 for a 10-yard runback. Stuber and Anderson combined for a first to the Tiger 48 Schuler clicked off runs of four, eight, five and four yards making it third and one on the Richwood 25. A penalty for backfield in motion was called, putting the Irish back on the 30, Richwood gaining the ball on downs The game ended with Richwood on their own 40.

Both teams made six first downs in the second half, St. Mary ending up with a net gain of 268 yards from rushing, Richwood with a net gain of 192 yards The Irish total passing yardage was 14 yards and the Tigers gained 36 yards.

Cabbies Smashed 31 to 0 by Ft. Wayne Outfit

ONE OF THE REASONS why Texas has a great football team is Harold (Spot) Collins granite lineman for the Longhorns Before the war Collins was All-Conference back and directed the Texas offense After duty with the Marines, including action at Okinawa, he returned to lead the Texas defense from the line. He stands an excellent chance of being the first player to make All-Conference both as a back and as a lineman.

Turbulent Grid Season Reaches Half-Way Mark This Saturday

By The Associated Press

NEW YORK, Oct. 21 — The college football season, a cockeyed campaign in which surprises are a dime a dozen and nothing seems impossible, reaches the halfway mark this week with only a handful of major teams still clutching unmarnished records.

Many previously unbeaten outfits were engaged today in pulling themselves from the wreckage strewn across every section of the land in the past weekend's wave of upsets, and there was a strong possibility that similar embarrassment lay ahead for some of those who escaped.

Army, Notre Dame and Texas—still the nation's top trio—all have their work cut out for them next Saturday when they face tough opponents

The Cadets, who plasted Columbia from the unbeaten ranks 48-14, move into New York's Polo Grounds for their annual battle with Duke.

Irish Tackle Iowa

Notre Dame, idle last week, invades Iowa, which pulled one of Saturday's many surprises by Blanking Indiana 13-0 Texas, which dumped previously unbeaten Arkansas 20-0, visits Rice

Pennsylvania's Quakers who kept their record clean by smearing Virginia 40-0, entertain Navy, downed by North Carolina for their third loss

Cornell, tied 6-6 by Yale visits Princeton, 14-7 winner over Rutgers and Columbia goes to Dartmouth upset 20-13 by Brown, for a couple of Ivy league contests. Elsewhere in the east, it will be Coast Guard at Yale, Holy Cross at Harvard, Syracuse at West Virginia and Boston University at Brown.

Midwestern fans will be treated to two conference games in the Big Nine, where the form already has been scrambled beyond recognition. Illinois, 27-21 victor over Wisconsin, will be at Michigan, which tied Northwestern 14-14, and Minnesota, which swamped Wyoming, 46-0, will go to Ohio State, tied 14-14 by Purdue.

Indiana at Nebraska

Other midwestern highlights will find Indiana at Nebraska, College of Pacific at Northwestern, Purdue at Pittsburgh, Southern Methodist at Missouri, Oklahoma at Iowa State, Cincinnati at Michigan State, Arizona at Marquette and Kansas at Tulsa.

Tennessee will risk its perfect record in a try for a fifth triumph at Wake Forest and Georgia, which kept its record clean by romping over Oklahoma A. and M 33-13, will be at Furman.

The Southeastern conference slate sends Kentucky to Alabama, Auburn to Georgia Tech Louisiana State to Vanderbilt and Mississippi State to Tulane. Other top-notch contests will find Florida at North Carolina, Richmond at Washington and Lee, William and Mary at VMI and Arkansas at Mississippi

Texas A and M will be at Baylor in the Southwest conference.

UCLA, which struggled past California 13-6 to hang on to its clean record and its lead in the Pacific coast conference, steps out of league play to take on Santa Clara on the west coast

Southern California, 28-0 winner over Washington, goes to Stanford which beat Santa Clara 33-26. California invades Washington and Oregon, held to a scoreless tie by Washington State, goes to Idaho in conference play

TED WILLIAMS OILS UP the bat which proved very impotent in the late World Series. The Boston Red Sox star is also mentioned prominently for 'honors' as the greatest series flop in the history of the game. Cardinal Manager Eddie Dyer, with his Williams 'stuff' completely demonstrated the Beantown slugger and wiseacres are saying that if Williams takes a Mexican jaunt, it will be because "Dyer ran him out of the league."

Unbeaten St. Joe A. C.'s Crush Semi-Pros on Indiana Gridiron

Although Marion did not perform as well as in previous games, the St. Joe A. Cs were the chief cause of the Safety Cab's 31 to 0 loss at Fort Wayne Indiana yesterday afternoon. Approximately 1,500 were present.

The undefeated and untied out-of-state gridders were top notch in the highly touted Marion line all afternoon, paving the way for the backs to carry the ball over the goal line five times

The perfect interference given their ball carriers by the Indiana pros is seldom as noticeable on the gridiron as it was yesterday's contest

Nine Simmons, Max Roseberry and Leo Redman did the most against this, playing on defense while LeRoy Harvey was the consistant yardage totaler for the Cabbies

Roseberry Recovers Fumble

Marion kicked off to Fort Wayne, gaining the ball when Roseberry recovered a fumble on his own 47. Marion was penalized to the 42 and Ruhl's attempted punt was blocked, the Saints gaining the ball on the 19 Left half Don Worman went off tackle to the right for the first score. Handley's conversion was blocked.

The quarter ended with Fort Wayne in possession on their 47 Shilts kicked to Simmons on the 15 and Higgins lost five. Simmons who took over the punting chores after Ruhl was knocked out quick-kicked to the Saints 36 Marquette going off tackle to the right posted the 64 yards necessary for the second score Attempting to run for the point, St Joe fumbled and the attempt was no good

Handley kicked to Roseberry on the 30 for a runback of nine yards Simmons lost eight and Bob Richards, on the Statue of Liberty play, went around left end for 19 yards Fred the recovered a Marion fumble on the Marion 47 After exchanging punts, the Saints drove to the Marion 11 where the Marion defense held Harvey in two attempts got nine and Simmons picked up a first down on the 27. Losing two in three attempts Simmons punted to Redman on the Fort Wayne 42 and the half ended

Harvey kicked off and Strobel recovered on the Saint's 24 St Joe got the ball on downs on the 30.

Pass Intercepted

Marion gained the ball receiving a punt Simmons pass was intercepted on the Marion 44 by Leroy Cook and advanced to the 40 A pass Redman to L. Cook from the 26 resulted in the score Handley's kick was no good

Fort Wayne scored for the fourth time in the fourth quarter Ben Grant jumping over the defense to go four yards into the end zone standing up. Kuleza made the extra point.

Simmons was forced to punt from his own 26 to Worman on the 28 for a three yard runback. The Saints drove to the Marquette scoring the final touchdown. The first kick was no good but Marion was offsides and Bob Slatzer blocked the second attempted conversion

Marion opened up with spread formations and although they not advanced to the Saint's 30 in the 35 a lateral Simmons to Cafagno lost them 14 yards as the game ended

OHIO STATE LEAGUE TO REMAIN CLASS D

Dayton Outvoted in Try To Raise Baseball Standing.

By The Associated Press

DAYTON, O, Oct 21 — The Ohio State league will retain its class D classification despite an effort of the Dayton Indians to raise it at least to class C.

Meeting in special executive session last night owners and presidents of the loop outvoted Dayton 7 to 1, to favor the present standing

Officials also supported the existing practice of playing cycles of two series at home, then two series on the road Middletown and Lima were the two dissenters

On Nov. 17, a regular executive session will be held in Columbus

Defiance Remains Only Ohio 11 with Undefeated, Untied Mark

BY DON STULL
Associated Press Sports Writer

This topsy-turvy football season found Ohio today with only one unbeaten, untied eleven left with half of the campaign still to be fought.

Little Defiance's Yellow Jackets kept their record clean over the weekend, but three other clubs with 'perfect' slates were toppled into the ranks of the defeated — Ohio university, Kent State and Oberlin

The Yellow Jackets almost faltered, too. They squeezed through with a 7-6 victory over Findlay's Oilers, but it took a 70-yard ramble by Dan Snyder on a pass interception and a forward pass that added the extra point to give Defiance its third straight triumph.

Ohio Universitys Bobcats bowed, 19-0 to the Cincinnati Bearcats who turned in their fourth victory against one defeat.

BG Smears Kent

Kent State suffered its first setback in four starts, bowing 13-0 to the Bowling Green Falcons as Dick Lowry turned two breaks into Bee-Gee touchdowns. He intercepted a pass and sprinted 60 yards for one score and went over from the five for another after end Wayne Bordner snagged a Kent State fumble on the five-yard line.

Oberlin's Yeomen, the state's only eleven without defeat or tie in 1945, saw its 10-game winning streak snapped by Ohio Wesleyan's Bishops who tallied a pair of last-period touchdowns for a 13-0 triumph.

Three Avoid Defeat

Three unbeaten but tied elevens kept out of the defeated class Mount Unions Purple Raiders upset Akron's Zippers, 12 to 7, to give the Raiders three wins and a tie for the year. Baldwin-Wallace and Western Reserve struggled to a 13-13 tie, leaving them with two victories and two deadlocks each.

Ohio State, playing before the nation's largest Saturday crowd—76,025—wound up in a tie for the second time, too, when injury riddled Purdue stood off the favored Bucks 14-14. Fullback Ed Cody, playing in spots because of an ankle injury, helped Purdue erase Ohio's 14-0 first half lead, scooting 30 yards with an 11-yard aerial for one score and going 79 yards off tackle for the other

Once-beaten Otterbein, Miami and Wilberforce each turned in victory No 4 Otterbein drubbed Ohio Northern, 33 to 6, to take the Ohio conference lead with three straight wins and no defeats; Miami coasted to a 28-6 decision over Xavier, the Musketeers' third loss in four starts, and Wilberforce swamped Philander Smith of Little Rock, Ark., 32-0

Four other Buckeye teams triumphed over out-of-state elevens, giving the state a margin of 26 victories against 16 losses and three ties in tilts with outsiders this season. Muskingum trounced Canterbury of Indiana 33-12 Cedarville scored in the final two minutes on a Bob Shaughnessy-to-Jim Clark pass to edge Detroit Tech, 18 to 12; Hiram thumped Grove City, Pa, 20-6, and Youngstown defeated another Keystone state eleven St. Vincent, 25-14

Two Ohio Teams Fall

Two others fell before foreign elevens, Wilmington losing 13-6 to Earlham of Indiana and Bluffton bowing to Manchester, 21 to 0

In other Saturday tilts, Rio Grande won its third in a row, a 30-0 rout of Lockbourne Army Air Base; John Carroll got into the winning column for the first time with a 19-7 verdict over Case; Ashland, paced by Halfback Kenny Funk's two touchdowns, edged Wittenberg 13-7; Dayton's Flyers bounced back from two straight drubbings, to dump twice-tied Toledo into the defeated ranks, 20 to 13; Wooster shutout Denison 21-0; Marietta added to Kenton's string of losses by a 12-0 score, and Heidelberg ran wild over Capital, 40 to 6, Norman Divine saving Cap from a shutout with a 100-yard return of a kickoff.

Saturday Games Alter Big 9 Circuit Championship Picture

By The Associated Press

CHICAGO, Oct. 21 — Events over the weekend, topped by Northwestern's 14-14 deadlock with Michigan and Iowa's 13-0 victory over Indiana, altered the Western conference championship picture considerably.

No longer can Indiana and Ohio State be counted in the elite "Big Four" set as they figured in the pre-season ratings The Buckeyes fell down the ladder by getting only a 14-14 tie with Purdue whose injury-plagued squad had been buried under a total of 129 points while losing three straight games The Hoosiers' estimation as a title contender was dimmed by Iowa, who gave the defending champions their second Big Nine loss

Illinois, with only one loss, is still in the running although Wisconsin nearly knocked the Illini out.

Minnesota, with two losses in as many conference starts, is at Ohio State in the only other Big Nine engagement. The Buckeyes have lost one and tied one in league action.

But perhaps most attention Saturday will center at Iowa City where the Hawkeyes tangle with unbeaten Notre Dame. Iowa has never been licked by the Irish on its home grounds, a spell which still may hold true if Notre Dame is caught mooning about its future date with Army instead of taking the games as they come.

Northwestern has what is considered a "breather," meeting Amos Alonzo Stagg's College of the Pacific at Evanston Indiana is at Nebraska and Purdue at Pittsburgh in other Saturday contests

BEARS AND REDSKINS PACE PRO GRID LOOP

By The Associated Press

NEW YORK, Oct. 21—The Chicago Bears and the Washington Redskins pace the two divisions of the National football league for the second consecutive week today but the champion Los Angeles Rams and the New York Giants continue to breathe hard on the necks of the two leaders.

Both the Bears and the Skins, whose records are blemished by one tie apiece, hung up their third victories yesterday.

A total of 168,958 fans attended five league games.

Washington, defending Eastern titleholder, scored a 14-6 victory over the Boston Yanks at Boston while the Bears downed the Philadelphia Eagles 21-14.

Meanwhile, the Rams breezed to a 35-14 victory over the tail-end Western division Detroit Lions at Los Angeles, and the Giants came from behind twice to beat the Chicago Cardinals 28-24 at the Polo Grounds to remain within easy hailing distance of the two leaders.

The Yanks, Eastern cellar dwellers, took an early lead over Washington when Mike Micka intercepted a Sammy Baugh pass in the opening stanza and raced 40 yards for Boston's lone marker. But the Skins came back after the following kickoff and drove to the Yanks' eight yard line, from which Dick Todd crashed over with the equalizer. Baugh tossed an 18-yard scoring pass to Eddie Saenz in the third period to clinch the game.

At Chicago, Hugh Gallarneau sparked the Bears to victory by scoring two touchdowns, including the payoff counter, after Sid Luckman had accounted for the Bears' first tally by pitching a 34 yard scoring pass to Ed Prinkle.

Fifty-seven different colleges have participated in 67 bowl contests since the first Rose Bowl game in 1902.

Keiser's Knoxville Win Makes Him No. 4 Golfer

By The Associated Press

KNOXVILLE, Tenn., Oct. 21—Herman Keiser's victory in the $10,000 Knoxville Invitational Golf tournament raised him into fourth place among the game's money winners this year, boosting his total to $16,975.

Keiser, who had never won a major P.G.A. event until he captured the coveted Master's tournament at Augusta last April, has finished in the money consistently but yesterday's triumph by one stroke over Chick Harbert of Farmington, Mich., was only his second tournament victory this season.

He fired a one over par 73 over the well-trapped 6,993-yard Holston Hills course to pick up first prize of $2,000 with a 291 total, which was three over par for the 72 holes. Harbert had a final round of 72, which placed him one stroke ahead of Jim Ferrier and E. J. (Dutch) Harrison, both of Chicago, who tied for third with 293. Ferrier shot a 72 in the final round while Harrison had 71.

My hat's off... to my customers who have been so swell about waiting for the tire that .. OUTWEARS PREWAR TIRES

There's no getting away from it! When you have a good thing—word gets around—and FAST! And from our view, it seems everyone is demanding the tire that OUTWEARS PREWAR TIRES.

FOR EXTRA SAFETY AND EXTRA MILEAGE THE NEW
B. F. Goodrich Silvertown
IS WORTH THE WAIT!

The new Silvertown tires have been setting records for long mileage, safety and economy not only on taxi fleets, police cars and special test cars but in regular car owner use. These new tires are built with a broader, flatter tread that puts more rubber in contact with the road, spreading the wear over a larger area. To hold this heavier tread, B. F. Goodrich engineers developed a 35% stronger cord body with stronger cords and more of them... This meant better bruise resistance, greater safety. If you want the tire that OUTWEARS PREWAR TIRES, place your order today. A little wait will be rewarded with today's biggest money's worth in tires.

Police Say Murder Solved by Arrest

By The Associated Press

LOUISA Ky, Oct 21—Sheriff Proctor Fyffe reported today the death of George Wheeler, 30-year-old bus driver, Oct. 12 had been solved with filing of murder charges against Ben Burke, 30, and Edward York, 23

Wheeler's body was found in his automobile wedged between two trees at the bottom of a steep gully Coroner Henry S Young said Wheeler had been shot in the head and his car pushed off the 100-foot cliff.

Fyffe and County Attorney W. D Sparks said Burke had signed a confession of the murder after being returned to Louisa from Portland, Me, where he was arrested last week

Fyffe said the statement implicated York and accused the younger man of firing the shot that killed Wheeler from the back seat of the car Burke's statement, continued the sheriff, gave robbery as the motive.

CIO Says Ohio Jobless Pay Is Not Sufficient

By The Associated Press

CANTON, O., Oct. 21 — The present Ohio unemployment compensation rate of $21 a week is not enough, a district conference of United Steel Workers of America (CIO) decided here last night in demanding a "drastic" increase.

The one-day conference was attended by about 300 delegates from 35 local unions in Stark and neighboring counties.

The resolution on unemployment compensation asserted the present $21 figure was inadequate in view of rising living costs, and that even the $25 figure requested some time ago by the Ohio CIO council was insufficient.

Congressman William A. Thom of Canton, Democratic candidate for reelection, declared that foes of the national administration are at work to elect a congress which would repeal the Wagner labor relations act.

NO CLUES FOUND IN DUAL CANTON KILLING

By The Associated Press

CANTON, O., Oct. 21—Revenge and jealousy were the two theories being explored, but police said today they were still without a clue pointing to the shotgun slayer of Mrs. Shirley Ann Robinson, 20-year-old divorcee, and Joseph Norcia, 29-year-old sports promoter and smoke shop owner.

The two were killed early Saturday morning as they left a taxicab to enter Norcia's home, by a charge of buckshot fired from ambush. The shooting occurred about 3:15 a. m.

Hampered by the lack of clues and the killer's undetected getaway, Detective Capt. James B. Quilligan said there were no major developments after two full days of investigation.

Mrs. Gladys Hatfield, mother of the slain girl, said she thought her daughter, who had been working as a waitress at a drive-in restaurant, was an innocent victim of the slaying.

Mrs. Hatfield, whose husband died about a year ago, told reporters that "Shirley got in with the wrong crowd and drifted away from me." She said Mrs. Robinson, mother of an 11-month-old son Peter, had worked in the shoe department of a downtown store until placed on a part-time basis, when she took the restaurant job about a month ago.

On that job she worked a shift ending about 1 a. m., and the mother blamed the working hours for "leading my daughter to the wrong crowd." She said that lately Norcia, backer of the Canton Bulldog semi-professional football team, had called her daughter at home several times at 3 or 4 a. m.

Quilligan said Norcia's background of being in trouble, which had led to several arrests, strengthened the "revenge" motive. Norcia, discharged from the Army last month, was shot four times and a bystander killed during a cafe argument in 1941, and two years later he was fined $100 and sentenced to six months in the Stark county jail on a charge of assault to rape.

Quilligan, investigating a report that Mrs. Robinson had told her mother she was "in a pickle" because she had two dates for Saturday night, questioned and released a college student who had been seen with her several times.

The detective captain said the college youth talked to Mrs. Robinson at a downtown bar shortly before the shooting. It was at the bar, Quilligan said, that Mrs. Robinson later met Norcia.

SCATTERED STOCKS BEGIN UPWARD CLIMB

By The Associated Press

NEW YORK, Oct. 21—Scattered stocks crawled upward in today's market although many leaders continued to seek lower territory.

From the start dealings were among the slowest of the past month.

Commission houses found their customers inclined to step carefully because of apprehension over widely fluctuating commodities and the possibility the downturning shares had yet to be completed.

In the wavering division were U. S. Steel, Chrysler, Goodyear, Sears Roebuck, Transcontinental and Western Air (in the wake of a strkie of pilots), North American, International Nickel, American Smelting, Allied Chemical, Great Northern, and Southern Railway.

Resistance was shown by Sharon Steel, General Motors, U. S. Rubber, Douglas Aircraft, Du Pont, Union Carbide, Texas Co., International Harvester, Union Pacific and Santa Fe.

Cotton futures steadied after an early drop of $10 a bale and grains did better.

ATTEMPT WORK RETURN

By The Associated Press

HUNTINGTON, W. Va., Oct. 21 — AFL production workers made a token attempt to return to work at the struck International Nickel Co. today but were sent home by their union leader who said, "We'll not try to fight our way through a picket line." The pickets—CIO white collar workers at INCO whose numbers at two gates were swelled by CIO steelworkers from other Huntington industrial plants—stood fast as the production workers, in automobiles and on foot turned momentarily as if to enter the gates and then moved on.

BRICKER SAYS RUSS PAC CONTROL PROVED

By The Associated Press

COLUMBUS, O., Oct. 21—John W. Bricker, Republican candidate for Vice Preident in 1944, declared today that "definite proof has now come from Moscow that the campaign of the political action committee in this country is being directed from Communistic Russa."

The former governor, now a candidate for U. S. senator, referred to a Moscow radio broadcast lauding the CIO PAC.

He added in a formal statement:

"A. Ossipow, spokesman for the Communist party in Moscow, yesterday said that the election of a Republican congress would be a 'national disaster.' It will be a disaster in the spread of Communistic influences in this country because a Republican congress will remove from office all radicals and Communists who have become a part and parcel of the New Deal and who direct its policies."

The Moscow radio described the U. S. election campagin as a struggle between "reaction" and the "progressive forces of the country," in the vanguard of which it placed the CIO PAC.

Bricker asserted further:

"In the light of the statements coming from Moscow today placing the PAC in the vanguard of the campaign for what Russia terms progressive forces in this country, there can be no doubt as to the truth of our charges made throughout the campaign. Moscow is now openly supporting our opponents."

LIVESTOCK EMBARGO SET

By The Associated Press

DES MOINES, Oct. 21—The federal market news service reported today the stockyards company at Sioux City had declared an embargo against further shipments of cattle and calves to that yard until congestion there can be cleared up. The embargo was made effective at 9 p. m., last night and is until further notice.

LOVE'S FAIR HORIZON

By ADELE GARRISON

SUBCONSCIOUSLY both boys and I "snapped to attention" as my father and Jack came up to us. There was something about both men which told us that they had no time to waste.

"I have to get Jack into the secret room beyond the cellar while everybody is busy with Brixton," he said. "I'll need you boys to help. Leave the luggage in the car—you can get it later, and Junior, when you have taken your mother indoors, come to the cellar and join us, Roderick, come with me now."

But I was on my feet and out of the car before my father had finished speaking. As I passed him, I patted his shoulder saucily.

"'Me, I takes myself where I wants to go," I quoted from a colored maid Lillian had long ago. "I have plenty to do in the house, and I have my purse with me. I do not need Junior, or anybody."

Glowing Face

A glance at the glowing face of my son was my reward as I hurried up the steps, and rushed into the house, keeping well ahead of my father, Jack and the boys.

The house appeared to be deserted, and I guessed that Jim was helping to settle Sam Brixton in my father's suite, and that Katie was helping Lillian and Marion to install Helena and Carolyn in rooms already prepared for them. My father, I knew, had told the Underwoods in code by telephone of the visitors they might expect. But I was sure, that even in code, he had made no reference to Jack.

I dodged into the kitchen as I heard the side verandah door open, for I wanted to keep out of the way of the expedition to the secret subterranean room where Hugh Grantland and Lee Chow were waiting for my father. It was but two or three minutes before I heard the sound of running footsteps, and then Katie, her faithful face aglow, nearly threw me off balance by the exuberance of her greeting as she threw her arms around me, and hugged me until I was fearful for my ribs.

"Oh! Missus Graham, my Missus Graham!" she chanted, "I tink you nefer nefer coom home to your Katie no more. Und we've had sooch goings on. But I'll tell you dot later. We, now, I vant find out how my babee Faith is, und old vomans, und Meesis Underwood say Meester Graham at hotel mit his legs—are dey cut off?"

Just An Act

I controlled my laughter muscles with difficulty, but would have been more sympathetic with her rolling, panicky eyes and horror-stricken voice if I had not known that she was "putting on an act," and that she knew very well Dicky's legs were but temporarily disabled.

"No, Katie," I said emphatically, "Mr Graham's legs will be all right in a few weeks, although he is in a wheel chair now. Faith is in splendid shape and is enjoying herself immensely with her daddy."

"I bet he enjoying hisself more," Katie commented sapiently.

"Yes, he is," I said.

"Und old vomans, she all right?" Katie asked, and there was a note of genuine anxiety in her voice which made me omit any correction of the term she invariably applies to my mother-in-law.

"Mother Graham is not as well as the others," I said, then told Katie rapidly of the averted heart attack, the necessity for care on the elder woman's part, and the precautions we had taken against another.

"Dot not so goot," she said anxiously. "I no like her dere mitout oder vomans in rooms mit her. You tink I better go und take care of her?"

"That is very sweet of you Katie," I said "but there is a nurse within call and I am sure Mr Graham will take every precaution. Besides, you are needed here."

"Dot no lie," she said sententiously. "Besides" she added with a twinkle in her eye "Old woman toss me oudt on my ear eef I go in hotel und tell her I coom to nurse. Mffh! Me, Ill bet my rolls are burning."

DEATH RULED NATURAL

By The Associated Press

PORTSMOUTH, O., Oct 21 — Sheriff Earl Brandel reports that an investigation of the death of Thomas Puckett, 32 of neighboring McDermott, whose body was found along the Norfolk and Western railroad tracks here yesterday, indicates he was killed "under natural circumstances." Three persons who were held for questioning in the case have been released, Brandel said.
